### 1. Program vision

The College of Law at the University of Warith Al-Anbiyaa spires to be a solid academic edifice, and to occupy a prominent position in providing higher education and distinguished scientific research in the legal field, in order to .rise to the ranks of well-known colleges locally, regionally and internationally

### 2. Program message

Preparing qualified and trained graduates who possess legal mental capabilities, research and professional skills to advance legal tasks and support governmental and non-governmental institutions, and provide research and advisory services to meet the current and future needs of society while .strengthening academic ethics

### 3. Program objectives

- Preparing qualified graduates to support public service in the state's administrative apparatus, and preparing lawyers to undertake the achievement of justice.
- Working to spread legal culture through scientific conferences and seminars, publishing research and articles, and writing books.
- Working to encourage scientific research, provide facilities, and create an appropriate environment to motivate researchers to complete research .
- Building the student's distinguished personality in knowledge, thought and morals by setting a good example and arming him with creative professional skills.
- Providing the state authorities ( legislative, executive, judicial) with the necessary proposals for their work, such as draft laws and preparing legal studies.
- Providing legal advice to individuals, civil society organizations, and administrative and political bodies, and making the college a scientific center for spreading legal culture.

- Interest in Islamic jurisprudence and disseminating the opinions of jurists in all fields.
